

ADVANCED DENTAL
EDUCATION ATHENS
PERIO-PROSTHETIC EXCELLENCE

IMPLANTS A TO Z

MODULE 1

May 14 – 16, 2026

MODULE 3

October 29 – 31, 2026

MODULE 2

July 2 – 4, 2026

MODULE 4

December 3 – 5, 2026

Instructors: Stavros Pelekanos & Venci Stankov

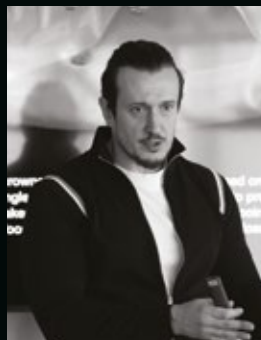

ADEA Training Center, Athens

Teamwork
is a way that
allows common
people to achieve
uncommon results.

Contents

1	Module	2	Module	3	Module	4	Module
	pg. 04		pg. 06		pg. 08		pg. 10

Module 1

Introduction in implant dentistry, basics and new directions- Single posterior implants.

Educators:

Stavros Pelekanos
Dr. Venci Stankov

Athens

14-16 May 2026

HOURS

DAY 1

08:40 – 09:00 | Registration & brief Introduction

09:00 – 10:30

S.P. | V.S.

Evolution in implant Dentistry, principles of Osseointegration, what do we need to know? Implant types, abutments and prosthetic considerations

10:30 – 11:00 | Coffee and chat

11:00 – 12:30

S.P. | V.S.

Bone for implantation. How much bone we need

12:30 – 13:30 | Lunch break

13:30 – 15:00

V.S. | S.P.

Soft tissue around implants. Myths and reality

15:00 – 15:30 | Brain refresh, coffee and chat

15:30 – 17:00

S.P. | V.S.

How to plan a case, implant positioning – inclination and depth

DAY 2

Coffee and chat

S.P. | V.S.

Single posterior late implant placement. Incision design, customized healing (milled or cervico)

Coffee and chat

S.P. | V.S.

Prosthetic treatment for molars

Lunch break

V.S. | S.P.

Live op, late posterior implant case

Brain refresh, coffee and chat

S.P. | V.S.

Hands on, late posterior implant placement with the use of Cervico – different suturing techniques

DAY 3

Coffee and chat

S.P. | V.S.

Molar socket classification. Single posterior immediate implant placement- Surgical and prosthetic seal.

Coffee and chat

V.S. | S.P.

Prosthetic treatment for molars and treatment workflow

Lunch break

V.S. | S.P.

Live op, immediate posterior implant case

Brain refresh, coffee and chat

S.P. | V.S.

Implant uncovering – Stage II

Module 2

Implants in the esthetic zone. Immediate, early, delayed and late approach.

Educators:

Stavros Pelekanos
Dr. Venci Stankov

Athens

2-4 July 2026

HOURS

DAY 1

08:40 – 09:00 | Registration & brief Introduction

09:00 – 10:30

S.P. | V.S.

Specifics in the esthetic zone-Socket classification.
Immediate implant placement in perfect socket (TYPE I)

10:30 – 11:00 | Coffee and chat

11:00 – 12:30

S.P. | V.S.

Immediate loading in the esthetic zone – temporary phase step by step

12:30 – 13:30 | Lunch break

13:30 – 15:00

S.P. | V.S.

Live op, Implant placement in the esthetic zone

15:00 – 15:30 | Brain refresh, coffee and chat

15:30 – 17:00

S.P. | V.S.

Hands on, immediate implant placement, soft tissue graft and immediate temporalization in the esthetic zone

DAY 2

Coffee and chat

S.P. | V.S.

Immediate implant placement in TYPE II and III sockets

Coffee and chat

S.P. | V.S.

Delayed and late implant concepts – indications and treatment workflow (socket preservation and sticky bone)

Lunch break

V.S. | S.P.

Live op, Implant placement in the esthetic zone

Brain refresh, coffee and chat

S.P. | V.S.

Hands on, late implant placement with GBR and soft tissue graft (poncho graft)

DAY 3

Coffee and chat

S.P. | V.S.

Delayed and late implant concepts -Part 2 (Complex Cases)

Coffee and chat

V.S. | S.P.

Soft tissue harvesting and grafting techniques

Lunch break

V.S. | S.P.

Problem management with implants in the esthetic zone and course recap

Module 3

Sinus lift procedures –
Multiple posterior/anterior
implants and complex
cases.

Educators:

Stavros Pelekanos
Dr. Venci Stankov
Tanya Spyropoulou

Athens

29 – 31 October 2026

HOURS

DAY 1

08:40 – 09:00 | Registration & brief Introduction

09:00 – 10:30 | **S.P. | V.S.**
Implants with sinus lift
(internal approach)

10:30 – 11:00 | Coffee and chat

11:00 – 12:30 | **S.P. | V.S.**
Implants with sinus lift
(external approach)

12:30 – 13:30 | Lunch break

13:30 – 15:00 | **S.P. | V.S.**
Live op, sinus lift in the
posterior zone

15:00 – 15:30 | Brain refresh, coffee and chat

15:30 – 17:00 | **S.P. | V.S.**
Hands on, sinus lift procedure
in the posterior maxilla

DAY 2

Coffee and chat

S.P. | V.S.
Implants in the esthetic zone
combined with resective
surgery

Coffee and chat

V.S. | S.P.
Implants in the esthetic zone
combined with additive surgery

Lunch break

V.S. | S.P. | T.S.
Demo and chat – how to plan
and fabricate predictably
implant guides (M-guide and
3d printing) Presentation of the
live case

Brain refresh, coffee and chat

V.S. | S.P.
Hands on, complex implant
case

DAY 3

Coffee and chat

S.P. | V.S.
Complex esthetic cases-
treatment planning and
workflow (part 1)

Coffee and chat

V.S. | S.P.
Complex esthetic cases-
treatment planning and
workflow (part 2)

Lunch break

V.S. | S.P.
Hands on
a) Guided implant placement
#23, GBR and soft tissue graft
b) Guided implant placement
#15 combined with root
coverage

Module 4

All on X – full arch implant reconstructions.

Educators:

Stavros Pelekanos

Dr. Venci Stankov

Emil Bobev

Tanya Spyropoulou

Athens

3-5 December 2026

HOURS

DAY 1

08:40 – 09:00 | Registration & brief Introduction

09:00 – 10:30

S.P. | V. S.

Edentulous jaw prosthetic designs

10:30 – 11:00 | Coffee and chat

11:00 – 12:30

S.P. | V. S.

Treatment planning for all on X

12:30 – 13:30 | Lunch break

13:30 – 15:00

S.P. | V. S.

FP3 and FP2 surgical and prosthetic aspects

15:00 – 15:30 | Brain refresh, coffee and chat

15:30 – 17:00

S.P. | V. S.

Clinical advances and new technologies-face scanners and jaw tracking systems

DAY 2

Coffee and chat

V. S. | S.P.

FP1 full arch implant restorations – restorative and surgical aspects

Coffee and chat

E.B.

FP1 guided implant surgery-planning, selecting multi units and connect abutments, STAR CONCEPT, surgical and prosthetic guide demonstration of the live case

Lunch break

V. S. | S.P. | T.S.

Live op, all on X surgery

Brain refresh, coffee and chat

V. S. | S.P.

Hands on, immediate loading and finishing

DAY 3

Coffee and chat

S.P. | V. S.

Hands on, full arch implant placement and immediate loading and provisionalization with M-guide, STAR concept and stackable guide (part 1)

Coffee and chat

V. S. | S.P.

Hands on, full arch implant placement and immediate loading and provisionalization with M-guide, STAR concept and stackable guide (part 2)

Lunch break

V. S. | S.P.

Final words – Q and A, and summary
